[*Continuation of the Proceedings in Parliament.*]

A PETITION of Edmund Saunders, Henry Tongue and Richard Far, of the City of Bristol, Merchants, in Behalf of themselves, the Insurers, the Master and Mariners of the Ship Robert Gally of Bristol, Burthen 120 Tons, was presented to the House, and read, setting forth, That on the 20th of May, 1729, their said Ship proceeding on her Voyage from Guinea to Jamaica, was taken on the Coast of Hispaniola, 6 Leagues out at Sea, by a Spanish Guarda la Costa, and contrary to the Law of Nations and Treaties then subsisting, and the Ship and Cargo carried into St. Domingo, and there condemned; the Value of which, when taken, as attested on Oath by the Master, was 10,664 *l.* Ster. and upwards, besides the Interest thereof for near 9 Years; and Admiral Stewart, when he was Commander in Chief of His Majesty's Ships of War then at Jamaica, sent His Majesty"s Ship Tryal to St. Domingo, to demand Restitution; and that the Commander received for Answer, That the Ship and Cargo had been condemned by the Audience, and that there could be no Redress unless obtain'd in Old Spain. And that the Petitioners having made Application to His Majesty by Petition in Nov. and begging His Majesty's most gracious Interposition, that Justice and Restitution might be done them; but receiving no Satisfaction, and the Spaniards continuing their Depredations, the Petitioners joyned in a Petition with other Merchants of Bristol, to this House, in 1730, and then proved the Allegations thereof, when this House thought fit to address his Majesty, *That he would be graciously pleased to continue his Endeavours to prevent the Depredations of the Spaniards for the future, and to procure full Satisfaction for the Damages sustain'd*; whereupon Commissioners were appointed, by Virtue of the Treaty of Seville; and that the Petitioners having made Application to them, as well as to Mr. Keene His Majesty's Minister at the Court of Madrid, by a Memorial setting forth, and authenticated Papers annexed thereto, proving the Unjustness of the Capture of the said Ship, and the Loss sustained; which was delivered to his Grace the Duke of Newcastle, about the Month of July 1731; but that, no Relief being had thereupon, the Petitioners again petitioned His Majesty in the Month of September last; which was also delivered to his said Grace, and has been since transmitted to Mr. Keene; but no Answer being returned thereto, there is no Probability or Expectation of receiving my Satisfaction; and therefore praying the House, as the Measures hitherto pursued have proved ineffectual, to take the Premisses into farther Consideration, and grant such Relief, as to the House shall seem meet, and that the Petitioners may be heard by themselves and Counsel thereupon.

The Petition of Samuel Bonham, Christopher Astley and others, Owners of the Ship Anne Gally, Burthen 130 Tons, was presented to the House, setting forth, that the Petitioners on the 14th of December, 1728, and since, have delivered to his Grace the Duke of Newcastle, 17 Memorials and Petitions, addressed to his Majesty, and 4 others delivered at the Council Board, each Memorial and Petition setting forth the great Loss and Damage the Petitioners have met with by the unjust Capture of the said Ship and Cargo, taken by the Spaniards the 13th of June, 1728, valued at 10,500 *l.* Sterling, besides the Loss of the Interest for upwards of 9 Years. Which Petitions humbly besought His Majesty's Favour, Interest and Protection in recovering their Loss and Damage; and Satisfaction not being made, on the 24th of March 1736-7, they brought their Petition into the House, which was read. But the Petitioners have not received further Satisfaction, nor like to do, Therefore they pray the House to take their unhappy Case into Consideration, &c. It was *Ordered*, That the said 2 Petitions be referred to the Consideration of the Committee of the whole House, &c.

LONDON, March 14.

THEY write from Madrid of the 25th ult. that Mr. Keene, the Britiſh Miniſter, having renewed his Inſtances for obtaining an Anſwer from that Court to the Memorial he preſented the 10th of December laſt concerning the Depredations committed by the Guarde Coſta's on the Britiſh Merchants, that Anſwer was deliver'd the 23d, and the next Day his Excellency diſpatch'd a Courier with it to this Court. The Contents of it are not yet known, but it is reported that the King of Spain perſiſts in his Reſolutions in regard to his Differences with the Crown of Great-Britain.

M. Kalkoen, Ambaſſador from the States General at Conſtantinople, has wrote to their High Mightineſſes, that the Ottoman Court has given for Anſwer to the new Overtures made by France for an Accommodation between the Grand Signior and the Emperor, that ſhe can by no Means hearken to the leaſt Propoſition for Peace, in which the Court of Ruſſia ſhall be compriz'd, and that ſhall not have the Treaty of Paſſarowitz for its Baſis, nor 'till ſhe be reimburs'd the Charge of a War ſo unjuſtly entered into on the Part of the Emperor.

By yeſterday's Holland Mail, they adviſe from Leghorn of the 23d Inſtant, that a French Captain, who ſet out from Baſtia before Noon, and was juſt arrived in that City, reports, that about 8 the ſame Morning the Marquis Jazinto de Paolis, firſt Miniſter and General of the Lord Theodore, accompany'd by the Curate Aitelli, being on the Road, with a Paſs from his moſt Chriſtian Majeſty, in order for an Interview with Count General de Boſſieux, to repreſent to them the Grievances of the Corſicans, and their Reſolutions of perſiſting in their Engagement with the ſaid Lord Theodore, had been attacked within 50 Paces of the City Walls of Baſtia by an advanced Guard of 100 Genoeſe, who firing upon them, had kill'd General Paolis, and mortally wounded the Curate Aitelli, who notwithſtanding was returned to the Corſican Camp. He adds, that the Count de Boiſſieux being informed of this Affair, had demanded ſuitable Satisfaction, and afterwards diſpatch'd an Expreſs to his Court. The Confirmation and further Particulars of this Tranſaction is impatiently expected.

The Lord Mayor on Saturday receiv'd a Hurt by a Fall from his Horſe; but is ſo well recover'd that 'tis hop'd he'll be able perſonally to attend the Houſe of Commons on Thurſday next, when the Affair of the Spaniſh Depredations is to come on.

PHILADELPHIA, June 15.

We have from *Burlington* a moſt melancholly Account of the Death of a Boy of 5 Years old, laſt Week, who hanged himſelf on the Stake of a Fence with a Rope he had been playing with in the Yard. He was firſt diſcover'd by means of the Crying of a younger Child, *Brother won't ſpeak to me.* 'Tis thought that the abundance of Diſcourſe he had heard of the late Execution of Negroes for Poiſoning, had fill'd his Mind, and put him on imitating what he had heard was done, not knowing the Danger. It is ſaid, that he dreamt much of that Execution the Night before, and telling his Dream in the Morning, added, *And I ſhall die to Day*; which was not then regarded.

From *Maryland* we hear, that a large Ship, Capt. *Syms*, bound thither from *London*, with a very valuable Cargo, being leaky put into *Antigua*; and from thence continuing her Voyage was taken by a *Spaniſh Guarda Coſta*, the Captain and People were ſtript and turn'd adrift in their Boat without Neceſſaries, and the Ship and Cargo carried off. The Boat however got in at the Virgin-Iſlands, and from thence Capt. *Syms* found means to get to *Antigua*, and ſo to *Maryland.*

From *Thornbury* in *Cheſter* County we hear, that 23 Sheep, all under one Tree, were lately kill'd by Lightning there.
